

Board of County Commissioners, met this first day of May A.D. 1923, as required by the statutes, it being the first Tuesday of the month.

The full Board being present, with David West in the chair, they immediately went into conference with a delegation of tax payers from Brown's Hill with Mr. Ned F. Steele as spokesman, who presented a very earnest plea for assistance in opening up the county roads through that district. After due consideration the Board authorized the expenditure of Two Hundred (200.00) Dollars and such culvert material as would be necessary for the completion of the project so as to render it passable this season.

The Board then took up the payment of bills and the following were audited and ordered paid:
