

BOARD OF COUNTY COMMISSIONERS met this 2nd, day of September A.D. 1924 at ten o'clock a.m. and recessed until 2 p.m. in the unavoidable absence of one of the members.

Resumed its session at 2 p.m. on day and year aforesaid with all members present and David West in the chair.

A delegation of tax payers with Mr. L.E. Armstrong representing their case presented a petition asking for the consolidation of school districts No. 9, 17, 23, 26, 30 and 35, urging in support of their request the plea of greater efficiency, economy and convenience. As there seemed to be some opposition to the proposition the board found it necessary to take the scheme under advisement.

The payment of claims was then taken up and the following were audited and approved as follows:
