

COMMISSIONERS' PROCEEDINGS

REGULAR MEETING.

The Board of Commissioners met this 3rd day of December A. D. 1940, at 10:00 o'clock A. M. all members present, Fred F. Hansen presiding.

The minutes of meetings held Nov. 7 and 12, 1940, were read and approved.

Sheriff Penland reported to the Board that the Livestock Inspection budget was depleted and that an emergency exists, to-wit; practically all cattle transported out of Carbon County is first loaded on trucks for delivery to the railroad, thereby incurring additional expense of inspection required by the State law which, heretofore, was not made necessary because of the trailing of livestock to the point of shipment. Therefore it will be necessary that an additional \$1200.00 be appropriated for the use of livestock inspection in Carbon County for the balance of 1940. In compliance with Section 11, Chapter 87, Session Laws of Wyoming 1939, a motion was made by Commissioner McCarthy, seconded by Gooldy and unanimously carried that \$1200.00 be added to the livestock inspection budget for 1940.

The following bills were audited and approved for payment:

The equal political division in the House presents a most interesting situation and one apparently never contemplated and, therefore, not provided for in our Constitution or Statutes and therefore, the organization of the House may depend upon the casting of lots.

This situation may prevent the passage of many important pieces of legislation in case there are many absent at the time the vote on third reading and final passage is taken, since our Constitution provides: "No bill shall become a law except by a vote of a majority of all members ELECTED to each House,***." Therefore, as many as 10 members of either Party may be absent and on a vote strictly along party lines, a bill would fail to pass.

The vote in Wyoming, generally speaking, was in line with the National vote; close contest prevailing in many states, and again, as has been the case for the past 40 years "As Wyoming goes, so goes the Nation."
