COMMISSIONERS PROCEEDINGS

SPECIAL MEETING

John Orton, Chairman and Commissioner John Niland met in Special Session at 2:00 P.M. to consider petitions received by the closing of the Holmes-French road by Millicent Sanger. The signatures of 500 persons were received indicating their protest and objections to this action.

A motion was made by Commissioner Niland, seconded and carried whereby the following notice was sent to Millicent Sanger, et al and a resolution adopted, to wit:

RESOLUTION

HOLMES-FRENCH ROAD

WHEREAS the Board of the County Commissioners of Carbon County has instructed John V. Crow, County Attorney to inform you of the reason for the board action regarding the Holmes-French Road on your property in view of your statement to the Daily Times, and

WHEREAS, at the time the Holmes-French road was closed by you, your written instructions to the guard at the gate were to exclude everyone except Forest Service personel and officers from the Sheriff's Office. However, even if your gate were raised solely to induce professional fishermen to contribute \$5.00 per trip toward the maintenance of the road, as you have suggested, the County cannot use public money and property to maintain a road and have you dictate who can pass over it. A road is either public, as claimed by the County, or private as you claim, it cannot be both.

AND WHEREAS since at the present time, you and everyone else who travels to your ranch and the North Platte River can reach the destination without passing over the Holmes-French road west of the river, the County must not use further money and property on the portion you claim control over, and

NOW, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS THAT the County remains ready and willing to include all of the Holmes-French road in the County public road system and resume its maintenance at any time you desire it done. In the meantime, the law will not permit us to do otherwise than we have advised you. We must use our property only in places where the public can have the benefit of it, without unnecessary interference or hazard occasioned by private interests.

Thereupon the Board adjourned.
