MINERALS EXPLORATION COMPANY ROAD IN SWEETWATER AND CARBON COUNTIES, WYOMING:

The construction of the roadway approximately 30 miles in length to serve the proposed facility of Mineral Exploration Company located in Section 5, Township 24N, Range 83W, shall conform to the Standard County Road Detail, dated August, 1974; however, the initial construction of the roadway will be completed only to the subgrade level.

The base, asphalt surface and chip seal coat will be completed at a future date which will be determined by Minerals Exploration Company. However, it is understood that Carbon County will assume no additional maintenance responsibility as a result of the delay in the construction of the surfacing materials.
