PLANNING AND ZONING

The request for zone change of William D. Swanson that had been tabled February 7, 1978, was taken from the table. Having received a letter from the Rawlins Planning Commission expressing no objections to the petition, Mr. Swanson's petition for change from RAM to RD was approved (Case file #77-108).

The Board then heard the application of Duane Baldwin and Tom Hockaday for zone change from R.A.M. Zoning District to R.D. Zoning District for proposed development in northern Carbon County, Wyoming, and adjacent to the Natrona County line. After extended discussion and deliberation it was regularly moved, seconded and unanimously carried that said zone change be denied and the following Order be entered of public record:

THE STATE OF WYOMING )

BEFORE THE BOARD OF COUNTY COMMISSIONERS  
CARBON COUNTY, WYOMING

In The Matter Of The Petition Of  
Duane Baldwin and Tom Hockaday

R.A.M. District to  
R. D. District in an unincorporated  
area of Carbon County, Wyoming.

O R D E R

THIS MATTER came regularly before the Board upon the Application for Amendment and Zone Change from R.A.M. to R.D. of the Carbon County zoning map and resolution by Duane Baldwin and Tom Hockaday of the following described real property, namely:

Township 28 North, Range 84 West, 6th P.M., Carbon County, Wyoming:

Section 7: NW $\frac{1}{2}$ NW $\frac{1}{4}$   
Section 12: N $\frac{1}{2}$ N $\frac{1}{2}$   
(Being about 800 acres)

After extended consideration and deliberation the Board FINDS:
