AGENCY AGREEMENT FOR  
FEDERAL AID PROJECT NO. 5-56-0023-01  
STATE PROJECT NO. 302

THIS AGREEMENT is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 1979, by and between the State of Wyoming, acting by and through the Wyoming Aeronautics Commission, party of the first part, hereinafter referred to as the "Commission", and the Rawlins-Carbon County Airport Board, City of Rawlins and County of Carbon, Wyoming, party of the second part, hereinafter referred to as the "Local Sponsor", for the purpose of designating the Commission as agent for the Local Sponsor in the manner hereinafter set forth.

WHEREAS, Title 10-16 Wyoming Statutes (Aeronautics), provides, in part, that no county, city, town or other political subdivision of the State shall apply for or directly accept, receive, receipt for or disburse any funds granted by the United States Government but shall designate the Wyoming Aeronautics Commission as its agent in its behalf; and

WHEREAS, the Local Sponsor is desirous of developing an airport and seeks to avail itself of State and Federal funds under the terms of the Airport and Airway Development Act of 1970, as amended (hereinafter referred to as the "Airport Act"), and the laws of Wyoming.

NOW THEREFORE, in consideration whereof be it agreed by and between the parties hereto that the Local Sponsor does hereby designate the Commission as its agent and in its behalf to apply for, accept, receive, receipt for and disburse such funds as may be granted to it by the United States under the Airport Act, and to perform such other necessary acts as are consistent with the purpose hereof, and that the terms and conditions of this agency agreement shall be as hereinafter provided:

1. That nothing herein contained is intended to be nor shall be construed to be in violation of the laws of the United States or of the State of Wyoming, nor in violation of the rules and regulations of the Administrator of the Federal Aviation Administration or of the Commission.

2. That the Commission does hereby acknowledge its approval of Federal Aid Project No. 5-56-0023-01 for the development of the Rawlins Municipal Airport by the Local Sponsor to be submitted to the Administrator of the Federal Aviation Administration under the provisions of the Airport Act, and that said airport has been designated to be improved

Such project shall be considered one for the construction or improvement of an airport if upon completion of the proposed project the airport so constructed or improved would be designated in accordance with the National Airport System Plan and the standards of the Wyoming Aeronautics Commission.

4. That the Commission, upon receipt of any funds coming into its hands by reason of this agreement, shall cause said funds to be deposited with the State Treasurer in a depository authorized by law to receive public funds and cause a state warrant to be issued to the local sponsor for said fund upon presentation of a verified voucher or vouchers therefor, duly executed by the Sponsor and approved by the Commission.
