Box 913, Saratoga, Wy. 82331 - seeking a zone change from RAM (Ranching, Agriculture & Mining) to RD-10 (Residential Development) on 10 acres located northeast of Saratoga. Site is known as NW $\frac{1}{4}$, Tract 5, Mountain View Estates Number 3, and is legally described as a portion of Section 5, Township 17N, Range 83W, Carbon County, Wyoming. A motion was made by Lemich and seconded by McMahon to approve the zone change. Roll was called with the following results: Grieve, Aye; McMahon, Aye; Lemich, Aye.

Case #80-19 - Appeal - Lawrence Bustos, Ft. Steele, Wy. 82326 - to appeal the decision of the Carbon County Planning Commission to table for one year the application for a special use permit to allow the mining of a gravel pit on 4 acres zoned RAM (Ranching, Agriculture and Mining) but within a Scenic Corridor in Ft. Steele. Site is legally described as SW $\frac{1}{4}$, NW $\frac{1}{4}$, Section 25, Township 21 North, Range 85 West, Carbon County, Wy. A discussion followed wherein Mr. Bustos laid the background for his appeal.
