

February 24, 1981

COMMISSIONER'S PROCEEDINGS  
SPECIAL MEETING  
PUBLIC NOTICE

A special meeting of the County Commissioners will be held February 24, 1981, at 9:00 A.M. at the Carbon Building, located at 212 W. Buffalo Street, Rawlins, Wy., for the purpose of accepting the Carbon Building as being reasonably complete.

BOARD OF COUNTY COMMISSIONERS  
By: Mary G. Bradford,  
County Clerk

Published February 21, 1981

A Special Meeting was held February 24, 1981 for an inspection tour of the Carbon Building for the purpose of accepting the Carbon Building as being reasonably complete.

Robert Greive, Emil Lemich and Martin McMahon were present. Robert Grieve, Chairman.

A motion was made by Lemich, seconded by McMahon, that the Board of County Commissioners accept as substantially complete, the Carbon Building from Gesco Management Corporation, with the exceptions as noted in the Written Report of Exceptions, presented by Gesco Management Corporation. Roll was called with the following results: Grieve, Aye; Lemich, Aye; McMahon, Aye.

NOTICE

The Board of County Commissioners for the County of Carbon, State of Wyoming, has accepted the work as substantially completed, according to the plans, specifications and written contract between the Contractors set forth herein below for improvements to the Carbon Building, situate on Lots 5, 6, 7 and 8, Block 3, of the First Union Pacific Railroad Company's Addition to the City of Rawlins, Carbon County, Wyoming. The said Contractors are entitled to final settlement forty-one (41) days after the first publication of this Notice, and final settlement will be made April 8, 1981. Nothing in this Notice shall be construed as relieving the said Contractors and the sureties of their bonds from any claim or claims for the work or labor done or materials or supplies furnished in the execution of the contracts. All persons having claims for labor and materials furnished the said Contractors shall present the same to the County prior to the date specified for payment.

The said contractors are as follows:
