Cherokee Trails Subdivision located in the NW ¼, N ½ of SW ¼, Section 10, T18N, R82W (All Tracts); Carbon County, Wyoming. Chairman Zeiger opened the public hearing at 2:09 p.m.

Henry Hewitt advised that the Planning & Zoning Commission would like to make the zoning consistent for the whole area. This would alleviate the Planning & Zoning Commission processing 200 separate applications for zone change. Mr. Hewitt advised that all property owners were sent individual letters in regard to this issue. The Planning and Zoning Commission received a good response from other adjacent property owners except for one.

Chairman Zeiger opposed the zone change, as he felt that we should not chose for all the parties involved. Jay Grabow advised that the Planning Commission believed this change would be made for the welfare of the majority.

Chairman Zeiger opened the public hearing at 2:30 p.m.

Henry Hewitt advised that the Planning Commission did receive one objection to this zone change, in writing, from Mr. Randy Shipman. Mr. Hewitt advised that the Planning Commission had the same perspective on this case file as they did the previous case file.

Mr. Shipman was present at the meeting, and Chairman Zeiger asked him for his position on this case file. Mr. Shipman advised that his position was noted in his letter from Budd-Falen Law Offices, which the County had received.

The Clerk read the letter from Patrick Mehle dated June 1, 2003 to the Board and the group present.

Mr. Shipman advised he was opposed to this case file zone change and presented a variety of reasons for his opposition to this zone change being approved.

Chairman Zeiger closed the public hearing at 3:10 p.m.

Linda Fleming moved to table request Case File #02-24 (from Open Range (OR) to Residential (RD) not for the access issue, but because new information had been presented to the Board today, and this would allow time for the County's civil attorney to review the information. Lee Meacham seconded. The motion carried unanimously.
