CHAPTER 6

PREDATORY ANIMALS
ARTICLE 1
CONTROL GENERALLY

11-6-101. Permission to eradicate upon refusal of entry by property owner.

Whenever predatory animals become a menace to livestock owned or controlled by any resident of Wyoming and the owner or lessee of any real estate in the vicinity where the livestock is ranged or pastured refuses permission to the owner of the livestock, his agents or employees, to enter upon the real estate for the purpose of destroying such predatory animals, entry may be obtained as provided by W.S. 11-6-102 and 11-6-103.

11-6-102. Application to county commissioners; hearing; determination; limitation on use of firearms.

The owner of the livestock may file a written application with the board of county commissioners of the county where the real estate is located, applying for permission to eradicate predatory animals. If, after giving the owner or lessee an opportunity of a hearing, the county commissioners may grant such permission, but the person receiving the permission shall not use firearms in destroying such animals without first obtaining permission from the owner or lessee of the real estate.

11-6-103. Liability for damage to property.

The permission granted shall permit the petitioner to enter upon the real estate but shall not relieve the petitioner from any damages which he inflicts upon any property of the owner or lessee of the real estate.

11-6-104. Centralized and coordinated rodent and predator control plan authorized.

The department may establish and implement a cooperative and coordinated plan for rodent and predator control. It may cooperate with federal agencies in the control of rodents, predatory animals and predacious birds, as defined in W.S. 23-1-101, which are destructive to livestock, game and poultry, or are detrimental to feed and foodstuffs, crops and forage production and human health. The department may promulgate necessary rules and regulations to carry out the purposes of this section.

11-6-105. Issuance of aerial hunting permits authorized.

The department may issue permits for the aerial hunting of rodents and predators to any person for the protection of livestock, domesticated animals or human life, upon a showing that the person or their designated pilot, along with the aircraft to be utilized in the aerial hunting, have been licensed and qualified in accordance with the requirements of the Wyoming aeronautics commission. The department shall furnish to the game and fish department a list of the names and addresses of the persons to whom they have issued aerial permits. The department may predicate the issuance or retention of such permits upon the recipients' full and prompt disclosure of information as the department may request for submission to the authorities designated in accordance with section 13 of the Fish and Wildlife Act of 1956 or its successor. The department shall collect a fee from each person who has any aircraft permitted under this section on or before April 1 of each year in the amount authorized by W.S. 11-1-104.

11-6-106. Receiving and expending monies for supplies.

The department may receive money for rodent and predator control from the federal government, state appropriations, counties, agencies, boards, associations, commissions, individuals and any other cooperators and may expend such monies to purchase supplies, materials, services, and to employ or contract personnel for rodent and predator control. The department may make such supplies, materials, services and personnel available to cooperators at approximate cost.

11-6-107. Disposition of proceeds.

All predator furs, skins and specimens taken by hunters or trappers whose salaries are paid in full by cooperating agencies, shall be sold and the proceeds returned to the respective predatory animal district of the county in which the furs, skins or specimens originated. All receipts from sales of materials and services related to predatory animal and rodent control received by the department shall be paid into the state general fund.

11-6-108. Cooperative agreements generally.

The department may enter into cooperative agreements with other governmental agencies, counties, associations, corporations or individuals for carrying out the purposes of W.S. 11-6-104 through 11-6-107.

11-6-202. Administration of districts by district boards; number and qualifications of members; term; filling of vacancies.

(a) The affairs of each district shall be administered by a board of directors, each of whom shall be a bona fide resident of Wyoming. Directors shall be elected at an annual meeting of district livestock owners.

The composition of the board shall be as follows:

(i) Three (3) directors shall be sheep owners having paid taxes or predatory animal control fees on sheep in the district in the year preceding election. At each subsequent annual district meeting one (1) director shall be elected for a three (3) year term. No appointed member may serve for a consecutive period of more than six (6) years.

Remaining revenues collected by the board under this section shall be remitted to the state treasurer for deposit in an

account within the earmarked revenue fund. The state treasurer, on a quarterly basis, shall distribute the revenues to the county treasurer of the county from which the shipment originated unless, at the time of payment of the fees, the livestock owner designates the fees to be distributed in total to another county in this state in which the livestock are fed or pastured. The county treasurer shall deposit revenues distributed under this subsection into a special continuing fund, to be known as the "Predatory Animal District Fund of . . . County" and to be administered by the predatory animal board of that district.

(b) and (c) Repealed by Laws 1990, ch. 87, 3.

(d) The district board may receive donations and appropriations of money from any source, and such donations and appropriations shall be placed in the district fund by the county treasurer upon request of the district board. Nothing in W.S. 11-6-201 through 11-6-210 shall be construed to prohibit boards of county commissioners from appropriating funds for the purpose of controlling predatory animals, and such appropriation by boards of county commissioners is authorized.

(e) Repealed by Laws 1990, ch. 87, 3.

(f) Notwithstanding subsection (a) of this section, the amount of the annual predatory animal control fee for sheep and cattle shipped into this state for confinement in a commercial feedlot shall not exceed fifteen cents (\$0.15) per head on sheep and five cents (\$0.05) per head on cattle. For purposes of this subsection, "commercial feedlot" means any place, establishment or facility commonly known as a feedlot conducted, operated or managed for profit or nonprofit for livestock producers, feeders or market agencies, consisting of pens and their appurtenances, in which livestock are received, held, fed, cared for or kept for sale or shipment in commerce. A pasture, field or other enclosure, fenced or unfenced, shall not be considered a commercial feedlot for purposes of this subsection. The predatory animal district board shall have the authority to determine if a facility qualifies as a commercial feedlot as defined in this subsection.

(g) After January 1, 1992 each predatory animal district board shall annually allocate five percent (5%) of all collections to be used for

refunds, in whole or in part. If a refund is requested the board shall pay the refund within one hundred eighty (180) days of application. Refunds under this subsection shall be subject to the following:

(i) To be valid, the application for refund shall be received no later than sixty (60) days after the end of the calendar year in which the fee was paid;

(ii) No person receiving a refund shall receive any predatory animal control services funded in whole or in part by the predatory animal control fees until that person has paid one hundred fifty percent (150%) of all refunds received during the year in which the services were sought and the three (3) preceding calendar years; and

(iii) All monies not paid in refunds shall annually revert to the district predatory animal control account on December 31 of the following year.

(h) Notwithstanding subsection (a) of this section, no predatory animal control fee shall be collected on livestock shipped or trailed within this state if change of ownership does not occur.

(j) Any person failing to pay the predator animal control fee imposed by subsections (a) or (f) of this section shall be punished as provided by W.S. 11-1-103.

(k) In addition to the other fees imposed by this section, any person paying the predator control fee may pay an additional ten cents (\$.10) per head to fund the predator management activities of the Wyoming animal damage management board created by W.S. 11-6-303. Any fees collected pursuant to this subsection shall be deposited in the animal damage management account created by W.S. 11-6-306.
